Connect Groups

In times of need and times of fun, Church on the Rise Connect Groups are your source of friendship and support. They are your key to developing connections with those who share your interests or people who are dealing with similar life issues.

Connect groups are an opportunity to reach out to others while growing in your walk with the Lord. Groups meet in homes, businesses, restaurants, or at the church. The groups change and begin again multiple times a year so you have the opportunity to try out different groups. You'll never fully experience all that Church on the Rise has to offer until you are part of a Connect Group!
